RED DOG MINE

Teck

Our Vision: We build strong relationships and create lasting mutual benefits based on respect for what communities value.

We work to create mutual benefits by:

- *Delivering shared value:* providing local employment and economic benefits
- *Minimizing negative impacts:* including those affecting the local environment and social landscape
- *Respect and transparency:* Developing and maintaining trust-based relationships with local communities

We provide community investments that:

- Meet community development priorities
- Focus on one of four categories: health, education, environment, and community

Teck donates approximately 1% of our annual pre-tax earnings on a five-year rolling average basis.
