

RESOURCE DEVELOPMENT COUNCIL

Growing Alaska Through Responsible Resource Development

RDC is a statewide business association comprised of individuals and companies from Alaska's fishing, forestry, mining, oil and gas, and tourism industries. RDC's membership includes Alaska Native corporations, local communities, organized labor, and industry support firms. RDC's purpose is to encourage a strong, diversified private sector in Alaska and expand the state's economic base through the responsible development of our natural resources.

2020 Top Legislative Priorities

Advocate and provide support for policies and legislation that encourage responsible resource development.

Advocate for a long-term fiscal plan

- Advocate to limit unrestricted general fund (UGF)* spending to a sustainable level and implement a meaningful limit to spending.
- Encourage the legislature to allocate a percentage of the Permanent Fund earnings to the UGF to support essential services first.
- Advocate to diversify and expand the economy in Alaska, by reducing the budget deficit to encourage long-term investment in the private sector.

*UGF includes: Operating budget, capital budget, statewide obligations, but does not include deferral of liabilities.

Advocate for a stronger private sector and promote the permitting process

- Advocate for tax policy and regulatory stability that enhances the State of Alaska's competitiveness for all industries to attract new investment and grow the economy.
- Encourage elected officials and state agencies to defend and promote Alaska's effective and rigorous regulatory process.
