

Legend

Connecting two key endpoints - Southcentral Alaska ports and Alberta - will allow:

- Transport of cargo and minerals at the lowest possible cost
- Dual-direction freight to and from North American destinations
- Economic growth and development in previously inaccessible regions.

-  Alaska Railroad (Existing)
-  Alaska Railroad Approved Extension (to be built by A2A Rail)
-  Proposed A2A Railroad Route
-  Significant Connection
-  Terminus

The proposed A2A railway corridor is conceptual and reflects the current status of project engineering and alignment review. It is subject to adjustments and updates as the project proceeds and public and Indigenous input is received.
