Protect Tomorrow, Today

RESPONSIBILITY | SAFETY | JOBS | **COLLABORATION** | ENERGY

Responsibility goes beyond compliance. At ExxonMobil we deeply value the wisdom, culture and vision of Alaskan Natives. Our responsibility is to learn from and collaborate with all Alaskans to responsibly develop Alaska's resources.

Breathing new life into Alaska's oil & gas industry through our people and our values.

Integrity • Urgency • Ownership • Alignment • Innovation

-Milne Point Unit, Alaska North Slope

IT'S BEEN AN HONOR

Thank you, Alaska, for an amazing 25 years as your neighbor, your booster, your friend. Our goal is to be a positive force in the community through our economic and community investments – and we hope we've succeeded. We also strive to be world class when it comes to our safety and environmental performance because responsible mining is core to our current and future success.

Putting people first for 25 years.

Keeping Alaska Moving!

Thank you to Lynden employees around the state for keeping Alaska's supply chains operating as usual, during a very unusual year. Your dedication, flexibility, and ingenuity was critical to ensuring fellow Alaskans had the essential supplies they needed, when they needed them. We look forward to a great year ahead and will continue to provide multi-modal transportation and logistics solutions across all of Alaska, from Ketchikan to Kaktovik!

Celebrating an organization that makes a difference

Finding a purposeful way to assist one another, turning belief into action, and working toward shared goals — these are the driving forces that lift up humanity and make a difference, one person at a time.

Wells Fargo is a proud sponsor of the 42nd Annual Alaska Resources Conference, and salutes the Resource Development Council for Alaska, Inc. for its efforts to encourage a strong, diversified private sector in Alaska, and expand the state's economic base through the responsible development of natural resources.

TEACHING THE IMPORTANCE OF ALASKA'S NATURAL RESOURCES

At Alaska Resource Education our sole mission is to educate Alaska's youth about our state's natural resources, how they are used and the careers associated with them. Our educators travel around Alaska providing age-appropriate presentations to children from kindergarten through 12th grade.

We also partner with industry to fund our programs, host on-site field trips, and to help support our mission.

Visit us online to learn more about what we do.
